GLIMPSE OF CHICAGO LIFE

The Handsome Residence on Michigan Avenue Was Transformed lute a Bit of Spain.

Cutoano, June 7.- The second official entectsioment arranged for the Princess Enjain during her stay in Chicago, was given this ovening at the marble man-sion of Harlow N. Higinbotham, presi dent of the World's Columbian Exposition. The old, but imposing, exterior, with its great broad entrance steps. needed no decoration, even for the rep resentative of the Spanish severeignty. kept the passageways clear on the Michigan boulevard and Twenty ninth street sides of the house for the Spanish and other guests invited to the dinner. The smiling princess was heartily cheered as she alighted with the prince cheered as she aligned with the prince from her carriage and passel up the grinson carpeted and covered way to the perial of the white mansion. The noyal couple were met at the threshold by Mr and Mrs. Higinbotham and wel-comed to their home. It was 8 o clock when the Infanta and Prince Antonio acrived, and by that time every one of the other guests was assembled in the reception room in deference to the prerequitive of royalty. The princes and princess passed under and between the suken colors of Spain and the American republic, the stars and stripes being crossed over the folds of yellow and red, on each side of the hall as well as at the far end, forming artistic arches without detracting from the harmony of colors in the permanent

None but the Spanish colors adorned the during room walls. Between the folds of red and yellow silk over the head of the table reposed the coat of arms of Spain. The floral decorations of the tables consisted of exquiste yellow erchiels and Jacqueminet res low crethids and Jacqueminet roses in abundance. Spanish melodies feated into the during room from a mandelin and guitar orchestra hishen among the palms, ferns and exotics of the conservatory. There were no menu cards, but at each plate was a rich hand-painted card bearing the guests name under the crossed flags of Spain and the republic. The tables were arranged in oblong form, but without any feet. The following composed the party. Princess following composed the party Princess Eulaise and Prince Antonia, Mr. and Mrs. Harlow N. Die Secretary of State and Mrs. Gresham, Governor Altgeld, the Director General and Mrs. Davis sent their regrets.
